Sub : Advance sanction to works recommended under MPLADS- clarification – Reg  
Sir/Madam,

I am directed to state that as per the Guidelines on MPLADS (para – 4.13) – The District Authorities can sanction works up to the entitlement of the MP for that year without even physical availability of funds. Clarifications have been sought from State Governments as to whether advance sanctions to works can be given before the commencement of the financial year without even physical availability of funds. The matter has been considered and it is clarified that:

“Advance action to sanction works up to the entitlement of the MP for that year can be taken. The work sanction can be issued after 1<sup>st</sup> April of the financial year, subject to the continuance of the MPLAD scheme in the year and budget for the year has been passed by the parliament”.
