Sir,

The Guidelines on MPLADS contain certain monitoring provisions at para 5.1 of the Guidelines. These includes involving MPs in inspections and Monitoring of the work sites by the District Heads to the maximum extent possible. Similarly para 6.1 of the Guidelines provides for erection of sign boards at the project sites. Instructions have also been issued for informing the concerned MPs about the time and venue for the inaugural functions, organized for projects completed under MPLADS. Normally, functions are organized by the district authorities on such occasions.

2. Some of the Members of Parliament have represented that there are certain works/projects under MPLADS which have either been completed or are about to be completed.They would like to continue to be associated with the functions to mark the completion of these projects in their capacity as Members of the 13th Lok Sabha.

3. The matter has been considered and it has been decided that Members of Parliament of 13th Lok Sabha may be continued to be associated as Ex-MPs with the functions relating to their MPLADS projects even after the dissolution of the Lok Sabha and till the code of conduct, to be announced by the Election Commission, takes effect.
