Sub : Foodgrains to be issued to the labourers under SGRY and NFFWP as part of wages during the year 2005-06

Sir,

I am directed to state that according to para-2.2 of the SGRY Guidelines, foodgrains should be given as part of wages under the programme to the labourers at the rate of 5 Kg per manday. Similarly, Para-2.2 of the NFFWP Guidelines provides that foodgrains should be given as part of wages under NFFWP to the labourers at the rate of 5 kg per manday. Keeping in view of the repeated requests of many State Governments to reduce the foodgrains allocation on account of logistical or infrastructure problems affecting foodgrains availability it has been decided as a special case this year that foodgrains be given to the labourers under the SGRY as well as the NFFWP at the rate of 3 kg instead of 5 kg per manday as part of wages during the current year. This will be made effective from 1st November, 2005 and till 31st March, 2006.

2. Revised allocations of foodgrains under SGRY and NFFWP are being communicated separately. Proportionate enhancement of cash allocations will be made in lieu of reduced foodgrains.

3. The State Governments / Union Territory Administrations may please take necessary action in this regard and bring this into the notice of all the District Panchayats / DRDAs, Intermediate Panchayats and Village Panchayats and all other concerned authorities immediately for its compliance.
