

3. IAY

3.12 Collection of data regarding House site pattas issued by Adi-Dravida Welfare Department and Backward Class Welfare Department

Roc. No.49600/97/JVVT – 2, Dated : 11.12.1997

CIRCULAR

Sub : IAY - construction of IAY houses – Collection of Data regarding House Site Pattas issued by Adi Dravidar Welfare Department and Backward Class Welfare Department out of acquired sites – reg.

In order to create a data bank at the District Level / State Level, the Project Officers are requested to immediately get the list of house site pattas issued in acquiring sites by District Adi Dravidar Welfare Officer and District Backward Class Welfare Officer in each Block in the Proforma enclosed. The data may be collected for the past 15 years or for as many years as the records are available.

It may be noted that land acquisition for house sites will be resorted only in those areas where there is acute housing scarcity. It therefore makes sense to give priority to those habitations/ Panchayats where acquired house sites are available (Urban area to be excluded). It is seen that some sites which were acquired nearly 15 to 20 years ago have still not been provided.

These particulars should be collected and sent to DRD on or before 09.01.98.

K. ASHOK VARDHAN SHETTY
