6. G.O.Ms.No.115 Rural Development and Panchayat Raj (CGS.1) Department, dated 2.7.07
7. G.O.Ms.No.174 Rural Development and Panchayat Raj (CGS.1) Department, dated 15.10.07
8. G.O.Ms.No.51 Rural Development and Panchayat Raj (CGS.1) Department, dated 28.3.08
9. From the Director of Rural Development and Panchayat Raj, Chennai's letter No.13985/2008/EE3 dated 20.5.2008.

**ORDER:**

The Director of Rural Development and Panchayat Raj in his proposal ninth read above has stated that in G.O.Ms.No.51, Rural Development and Panchayat Raj (CGS.I) Department, dated 28.3.2008 orders were issued for the creation of 673 additional posts of Overseers with effect from 1.4.2008, to ensure better implementation, monitoring and supervision of National Rural Employment Guarantee Scheme works and other schemes. The total allocation for implementation of National Rural Employment Guarantee Scheme in Tamil Nadu during 2008-09 is likely to be over Rs.2,000 crores. Unlike other Governmental schemes that require the preparation of bills to be done at the most once in a month, the work bills are to be prepared under National Rural Employment Guarantee Scheme, once in every week in each Village Panchayat. Hence it is urgently required to fill up the additional posts of Overseers in order to ensure that the measurement of National Rural Employment Guarantee Scheme works is done without delay every week in all the Panchayats of the State, besides the proper supervision of other Rural Development schemes.

2. As per orders issued in G.O.Ms.No.70, Rural Development (E4) Department, dated 20.3.2000 for the Tamil Nadu Panchayat Development Engineering Subordinate Service, Overseers shall be appointed in the ratio of 3:1 viz. by (i) direct recruitment through employment exchange and (ii) through promotion from Road Inspectors who have put in 15 years of service. The educational qualification of the Overseer post is Diploma in Civil Engineering. As per rule 4 (a) of the said special rules, read with orders issued in G.O.Ms.No.41, RD&PR Department, dated 21.3.2007, notwithstanding anything contained in rule 12 (d) of the General Rules, no person shall be appointed if he has completed the age of 40 years (35 + 5= 40) on the first day of July of the year in which the selection for appointment to the post of Overseer is made. At present, all the eligible Road Inspectors have already been promoted as Overseers and there are no further Road Inspectors qualified for the promotion to Overseer category for another 15 years. Hence, as a one time relaxation, all the additional Overseer posts sanctioned should be filled up through direct recruitment from employment exchange itself to ensure that there are no vacancies and the implementation of National Rural Employment Guarantee Scheme, Tsunami Rehabilitation works and other schemes does not suffer.

3. Orders were issued in the G.Os 2<sup>nd</sup> to 7<sup>th</sup> read above, sanctioning the post of Technical Assistants in the 10 National Rural Employment Guarantee Scheme Phase I & II districts and 12 Tsunami affected districts of Tamil Nadu. The educational qualification of the post of Technical Assistants is also 'Diploma / Degree in Civil Engineering' – while that for Overseers is 'Diploma in Civil Engineering'. Two modes of recruitment were prescribed for filling up the posts of Technical Assistants viz. (i) direct recruitment through employment exchange and (ii) recruitment through outsourcing from private engineering manpower companies. The number of Technical Assistants recruited for the National Rural Employment Guarantee Scheme districts as well as Tsunami District Implementation Units (TDIUs) through the above modes of recruitment are indicated below:-

<b>Sl. No.</b>	<b>Category</b>	<b>No.of sanctioned posts</b>	<b>Employment Exchange</b>	<b>Outsour-cing</b>	<b>Total</b>
1	NREGS	961	482	186	668
2	TDIU	95	61	-	61
	<b>Total</b>	<b>1,056</b>	<b>543</b>	<b>186</b>	<b>729</b>

The majority of the Overseers have been recruited through Employment Exchange itself.

4. The Director of Rural Development and Panchayat Raj has stated that the Technical Assistants recruited through Employment Exchanges in various districts may be accommodated as Overseers for the reasons given below:

- i. The Technical Assistants employed in the districts in National Rural Employment Guarantee Scheme are having the same minimum technical qualification of Diploma in Civil Engineering as is stipulated for the posts of Overseers and have also been recruited earlier through the Employment Exchanges itself.
- ii. The Technical Assistants in National Rural Employment Guarantee Scheme are senior to the persons now proposed to be recruited through employment exchanges for the posts of Overseers.
- iii. The present Technical Assistants are having a field working experience of 1-2 years in the districts which will be advantageous for the district administration in effective implementation of Rural Development schemes, whereas the new recruits from employment exchange will be raw hands.

5. He has also stated that the Technical Assistants employed in Tsunami District Implementation Units which also come under the purview of Rural Development and Panchayat Raj Department are also predominantly employed through employment exchange and are having upto 2 years of experience. Many of such Technical Assistants are senior to the Technical Assistants employed through employment exchange in National Rural Employment Guarantee Scheme. Hence, though the posts of Technical Assistants continue to be necessary in Tsunami District Implementation Units, the Technical Assistants in the Tsunami District Implementation Units should also be absorbed as Overseers while absorbing the Technical Assistants of the National Rural Employment Guarantee Scheme districts for such posts. If the posts of Technical Assistants are required in the Tsunami District Implementation Units in future, these can be filled up through outsourcing from engineering manpower firms.

6. He has furnished the details of Community-wise breakup of eligible persons as under:-

**Community-wise break up of eligible persons**

Category	No.of posts to be filled up out of 543 as per Communal Roster	No. of persons already selected under community wise allotment	No. of persons already selected under open competition	Total
SC	98	98	1	99
ST	5	-	-	-
DNC/MBC	109	109	4	113
BC	163	163	156	319
Open Competition	168	-	12	12
Total	543			543

The short fall if any, in maintaining the minimum number of candidates as per the communal roster will however, be set right while filling up of the remaining vacancies. As such no relaxation seems to be necessary in the communal status / roster.

7. After verification of the educational qualification of all the 543 Technical Assistants, the Director of Rural Development & Panchayat Raj has furnished the individual details of 543 persons employed through employment exchange of which 98 persons are aged above 40 years and the remaining 445 persons are below 40 years of age on the crucial date of recruitment of Overseer on 1.7.2008. He has therefore requested orders on the following:

- i. To fill up 543 out of 673 posts of Overseers by absorption from the posts of Technical Assistants in National Rural Employment Guarantee Scheme and Tsunami affected districts.
- ii. The balance 130 posts may be ordered to be filled up through employment exchange.
- iii. All the 961 posts of Technical Assistants sanctioned in National Rural Employment Guarantee Scheme districts may be disbanded.

- iv. 95 sanctioned posts of Technical Assistants in Tsunami District Implementation Units may be continued, but filled up only through outsourcing in future.
- v. The service put up as Technical Assistants by them will not count for service benefits in their further service.
- vi. Rule 4 (a) of the special rules for the Tamil Nadu Panchayat Development Engineering Subordinate Service, may be relaxed in favour of 98 persons who were aged above 40 years as on 1.7.08 as a special case.

8. The Government after detailed examination have decided to accept the proposal of the Director of Rural Development and Panchayat Raj and hereby order as follows:

- (a) The eligible 543 persons indicated in the **Annexure I** to this order recruited through employment exchange shall be absorbed as Overseers in the Engineering wing of the Rural Development and Panchayat Raj Department.
- (b) The rule 2 (relating to the modes of appointment) of the special rules for the Tamil Nadu Panchayat Development Engineering Subordinate Service shall be relaxed in favour of the said 543 persons as a special case.
- (c) The rule 4(a) (relating to age) of the special rules for the Tamil Nadu Panchayat Development Engineering Subordinate Service which prescribes that the age for direct recruitment shall not exceed 40 years be relaxed in favour of 98 persons out of 543 persons who are aged above 40 years of age as on 1.7.2008 as indicated in the **Annexure II** to this order.
- (d) The Districts to which these newly appointed Overseers have been allotted are indicated in **Annexure I** to this order. The District Collectors concerned will issue the appointment orders as Overseers after once again satisfying themselves that the said persons were originally appointed as Technical Assistants only through the employment exchange; that they have at least a Diploma in Civil

Engineering; and about their community (in respect of SCs, STs, MBCs and DNCs and BCs).

- (e) The Overseers now appointed shall be junior to all those Overseers appointed by direct recruitment through employment exchange or by promotion from the category of Road Inspectors prior to the date of issuance of this Government Order i.e. 6.6.2008.
- (f) Their dates of joining as Technical Assistants in any district either under the National Rural Employment Guarantee Scheme or the Tsunami Rehabilitation Programmes - and where their dates of joining are the same, then their age - shall be the basis for **the limited purpose** of fixing the inter-se seniority among the bloc of 543 Overseers now appointed. Accordingly, their inter-se seniority at the district level is indicated in **Annexure I** to this order. The above principles shall also form the basis for determining their inter-se seniority at the State level, if required at any time in the future. Notwithstanding anything stated above, their previous service as Technical Assistants on consolidated pay basis will not be counted for service/pensionary benefits of any kind. They shall furnish an undertaking in triplicate to the District Collector agreeing to these stipulations before the appointment orders are issued to them.
- (g) The balance 130 posts of Overseers as detailed in the **Annexure III** to this order shall be filled up through employment exchange.
- (h) All the 961 posts of Technical Assistants sanctioned in National Rural Employment Guarantee Scheme districts shall be disbanded.
- (i) The 95 sanctioned posts of Technical Assistants in Tsunami District Implementation Units may be continued, but filled up only through outsourcing from an engineering manpower firm in the future.

9. In exercise of the powers conferred by rule 48 of General Rules of the Tamil Nadu State and Subordinate Services contained in Part-II in volume - I of the Tamil Nadu Services Manual 1977, the Governor of Tamil Nadu hereby relaxes the rule 2 (relating to the modes of appointment) and rule 4(a) (relating to age) of the Special

Rules for the Tamil Nadu Panchayat Development Engineering Subordinate Service in favour of the persons indicated in Annexure-I and II to this order respectively, so as to enable them to be appointed as Overseers in the Tamil Nadu Panchayat Development Engineering Subordinate Service, with effect from the date of their joining duty.

(By Order of the Governor)

**K. Ashok Vardhan Shetty,**  
Special Commissioner and  
Secretary to Government.
