III. Operations, Maintenance and Deficit Grant Fund (OMDGF) to the Advance Library Cess:

In terms of release of Grant under **Operations, Maintenance and Deficit Grant Fund (OMDGF) to the Advance Library Cess**, the Sixth State Finance Commission in its recommendation has stated that

“Para 7.44.e: Huge arrears of library cess have accumulated over the years. Collecting this amount from a large number of local bodies causes administrative issues as well. Hence this Commission recommends that Rs.28 crore should be allocated to the Department of Public Libraries in the first year as advance payment of library cess collection with an annual increase of Rs.2.8 crore over the previous year allocation for the next four years. Having collected the advance library cess from the local body devolution subsequently the local bodies can retain the actual library cess collected at their level”.

Hence, release order is requested for the amount of Rs.33.60 Crore to settle to Directorate of Libraries.

IV. Operations, Maintenance and Deficit Grant Fund (OMDGF) to Regional Institute of Rural Development and Panchayat Raj:

In terms of this, the Sixth State Finance Commission in its recommendation has stated that

“7.44.b : Rs.60 lakh should be allocated annually to rural regional training institutes for capacity building of officials working for Rural Local Bodies (RLBs) and the public representatives”

Sixth State Finance Commission recommends the following para and the same has been accepted by the Government vide its Action Taken Report.

“Rs.280 crore in the first year with an annual increase of Rs.28 crore over the previous year’s allocation should be allocated to Rural Local Bodies (RLBs) with deficit for two consecutive financial years subject to a maximum grant of Rs.10 lakh per local body per year. This Fund should be untied and should not be intercepted for any other purposes at the state level or the district level.”

The Commission recommends that the schools selection should not be restricted to Panchayat union schools alone. Even the high schools and higher secondary schools falling under the jurisdiction of the local bodies serve the population of the local bodies. Hence, the fund can be spent on high schools and higher secondary schools as well. This should serve as a first step towards increasing further functional delegation to the local bodies. The Public Works Department can have parallel jurisdiction. The requirement of obtaining no objection should be done away with.

The State Level Committee has approved the grant of Rs.60 crore for SIDS scheme for Repair and Renovation of school buildings in AGAMT villages. Hence sanction and release order is requested for **Rs.60 Crore** for School building repair and renovations under SIDS scheme.
