From the Commissioner of Rural Development anad Panchayat Raj, Letter Roc.No.84618/2011/PRI4.2, Dated:19.12.2022

*****

ORDER:

In the letter read above, the Commissioner of Rural Development and Panchayat Raj has stated that in his proposal that Local Government Directory is one of the core application area identified under Panchayat Mission Mode Project (e-Panchayat MMP). It has been developed by National Informatics Centre, Ministry of Information Technology, Government of India for Ministry of Panchayat Raj for effective maintenance of information about Local Government of all types and regions by including Urban Local Government.

Features of LGD application:

Local Government / Panchayat setup:

Each State can define the Local Government (Panchayat, Urban Local Bodies and Traditional bodies) setup that is applicable in the State.

Unique Codes:-

Generates unique codes for each Local Government body (Panchayat, Urban body or Traditional body) Revenue entities, Department, destinations, wards etc. The unique code for Revenue entities are in compliance with e-Governance standard under National e-Governance Project (Metadata and Data Standard for Person Identification and Land Region Codification). This codes will be adopted by all other models of Panchayat Enterprise Suite (PES).

Government orders/Notifications:–

Facilitates user departments to generate Government orders on formation / reorganization of Local Government bodies. Alternatively the copy of the manually generated errors can also be uploaded

Versioning:–

Whenever there is any change in a local body or revenue entity, either in the constitution or in name, a new version gets generated and previous version is retired. LGD Version management helps in recording and usage of history by user and applications.

Conversion of Local Bodies:–

Conversion of local bodies from one type to another can be managed through LGD

Direct Benefit Transfer:–

With the increased emphasis on Digital India Programme and Direct Benefit Transfer by the Government, more and more Government Schemes program will be coming under the ambit of e-Governance and these codes will be used to avail and analyse the data on Local body wise.

Download Directory:–

Content can be downloaded in HTML, PDF, spread sheet, CSV and XML formats.

Maps of Local Government Bodies/Panchayats:–

Facilitates the user departments to upload GIS maps of each entity defined in LGD. Alternatively, it can be also be configured to point to the GIS server.

Constituencies and Wards:–

Local body wise wards list as well as Parliament and Assembly Constituencies and their mapping with Local Governments can be maintained through LGD.

Departments and Organizations:-

LGD captures both the organizational as well as reporting hierarchy of Central, State and Local Governments and the organisations/departments associated with them.

2. The Commissioner of Rural Development and Panchayat Raj has further stated that the Government of India has suggested that the State Level Steering Committee for LGD implementation may be reconstituted by including a representative from

1. The Directorate of Census Operations
2. Reconstitute the LGD Steering Committee under the Chief Secretary / Additional Chief Secretary / Principal Secretary, Panchayat Raj / Revenue Department.

3. LGD Nodal Officers from State PRI, Revenue Department and Urban Development, State PMUs and Nodal Officers(s) from DCO may be included as Committee members.

3. The Commissioner of Rural Development and Panchayat Raj has therefore requested the Government to issue necessary orders to constitute the Steering Committee under the Chairmanship of the Principal Secretary to Government, Rural Development and Panchayat Raj Department, for implementation of LGD, in Tamil Nadu.
