Dated: 21st May, 2018

Dear Hans Raj ji

As you are aware, Pradhan Mantri Awaas Yojana-Gramin is being implemented to realize the goal of "Housing for All by 2022". Praise worthy progress has been made in this direction since the launch of the scheme by the Hon'ble PM in November, 2016.

2. In view of good performance of your State towards house construction, a target of 21,000 houses has been allocated for the FY 2018-19 under PMAY-G. The State is required to earmark at least 60% of this target for SC and STs subject to availability of eligible beneficiaries in the Permanent Wait List (PWL). Further, as far as possible, 15% of the targets would be earmarked for Minorities, the allocation of targets for minorities will be on the basis of the proportionate rural population of Minorities in the State as per Census, 2011 data.

3. While congratulating your State for the commendable efforts that have been put in, I would like to request you to fast track implementation of PMAY-G so that the shared goal of 'Housing for All' can be realized at the earliest.

Regards

Yours sincerely,

(Prasant Kumar)
