Kind attention is invited to the reference cited.

For the year 2021-22, sanction of houses under PMAY-G is being made from Awaasplus in the Awaassoft portal. As on 15.09.2022 it is found that registration has been made for 2,79,934 houses and sanction has been made for 2,46,507 houses against the State target of 2,89,887 houses in the Awaassoft portal.

Based on the reports received from the Districts, MoRD, GoI was requested to permit category change entered inadvertently at the time of survey for the cases in 21,566 households and setting right Job card issues in the Awaasplus list.

Accordingly, in the reference cited, the MoRD, GoI has stated that the proposal of the the State Government has been approved duly allowing the editing / correction in Awaas+ database. Further it is also stated that necessary provisions is being enabled in AwaasSoft.

In this connection, I wish to state that the community certificates of Scheduled caste and Scheduled Tribe category should be obtained and

verified by the Project Director, DRDA before the sanction is made as per the PMAY-G guidelines issued for the 2021-22 beneficiaries in Awaasplus.

In respect of "others category" beneficiaries wrongly entered as SC/ST need to be certified by the AD level Zonal Officers stating that the specific beneficiary does not belong to SC/ST category before the issue of sanction order.
